

# Xpy1280-HD

8-channel | HD network surveillance system with four IP security cameras

AKN-0874HD

**HIGH DEFINITION**  
8-channel + 4-camera network video and audio recording system

**Free lifetime P2P & DDNS**  
remote connection

**720P resolution**  
recording and streaming

**IP66 weatherproof housing**  
indoor/outdoor

**PoE**  
Power over Ethernet

**HDMI/VGA**  
1080p output resolution

**Up to 4TB of storage**  
\* User supplied hard drive

**Xpy Guardian**  
Monitoring app for Android & iOS devices

Quickly start viewing live video virtually from anywhere on the world

## Product overview

Nexxt Solutions introduces its new generation of PoE Network Video Recorder (NVR) surveillance systems made easy. Featuring the latest in HD IP technology, our POE NVR lets users record and view all eight channels simultaneously connected to both, wired and wireless IP cameras. Our NVR presents a more economical, easier to install and simple-to-use solution for high definition surveillance systems. It is the ideal security product without the hassle of complicated and tedious setup. Impressive long distance transmission capability can be easily achieved with no quality loss and delay of HD video. Upgrade to HD video by simply piggybacking off of your existing network without the hassle of having to install and run coaxial cables.

The NVR comes with HDMI support and is fully integrated for remote viewing, alerts, and compatible with current mobile devices. Advanced features such as triggered motion detection, time schedules, and real time 720p resolution streaming are perfect for commercial footage requirements. It supports pentaplex operation for simultaneous live view, recording, playback, backup and network transmission. The included cameras are 720p with all metal housing for indoor and outdoor use, and are directly powered using the RJ-45 port of the NVR.

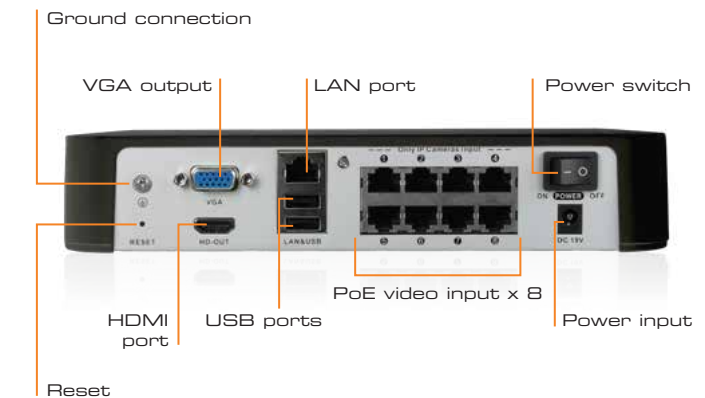

## Network Video Recorder:

- Accepts wired and wireless IP cameras
- Compatible with the Xpy1200/1201/1210/1230
- PoE ready to work with included cameras
- 8 CH / H.264 compression
- Compact design
- Simultaneous 1080p HDMI / VGA output
- Network integration
- Up to 720p recording and streaming resolution
- Dual stream support
- Motion detection alarm via e-mail and FTP
- Live view, record, playback, backup and network transmission
- Smart playback to search through less effective information
- Hard drive quota management assigns a capacity limit per channel
- Supports P2P and DDNS
- Mobile application
- Up to 4TB capacity

## 4 bullet IP cameras (2.8mm):

- 1MP high performance CMOS
- 720p resolution
- IP66 weatherproof
- All metal outdoor housing
- 20m night vision
- True day/night
- DNR, Smart IR, AGC and ICR
- Wide Dynamic Range (WDR)
- Smart IR
- Backlight compensation
- Viewing angle of 75°
- Includes ethernet cable
- Includes mounting hardware

## Package contents:

- Eight (8) channel H.264 NVR 1 pc
- Hard drive screws 4 pcs
- Bullet IP camera 4 pcs
- Mounting hardware for cameras 4 sets
- USB wired mouse 1 pc
- Power adapter for NVR 1 pc
- 5.9ft HDMI cable 1 pc
- 50ft ethernet cable 2 pcs
- 100ft ethernet cable 2 pcs
- CD ROM with free mobile app, search tool and digital user guide 1 pc
- User guide 1 pc

## Technical specifications

Xpy1280-HD	
<b>Video/Audio input</b>	
Video input	8-channel HD IP cameras
Video compression	H.264
Audio input	IP
<b>Video/Audio output</b>	
Video output	1 x VGA / 1 x HDMI 1920 x 1080 /60Hz 1280 x 720 /60Hz 1440 x 900 /60Hz 1024 x 768 /60Hz
Encoding resolution	720P/VGA
Recording modes	Motion detection, time schedule, manual
Dual-stream	Supported
Stream type	Video, video and audio
Synchronous playback	8-CH
Pentaplex	Live view, record, playback, backup and network transmission
Mobile application	Android / iOS
<b>Storage</b>	
Hard disk drive	One hard drive interface for a 2.5 or 3.5-inch SATA
Capacity	Up to 4TB
Backup capability	Via PC, flash drive, USB hard drive
<b>External interface</b>	
Network interface	RJ-45
USB interface	Two USB 2.0 ports
<b>Physical appearance</b>	
Housing	ABS plastic and metal
Color	Gun metal
Product dimensions	9.2x9.2x2in
Product weight	2.6lb
<b>Additional information</b>	
Power	19V/4.75A
Warranty	Two years
Certificates	FCC
