 Your home in **one app**

Turn on your lights, charge your tablet or get your coffee maker started before you get home

Nexxt Solutions introduces its new **Smart Home Automation Series**. Designed to suit your mobile lifestyle while building a safe environment inside and out of your home, the brand seamlessly unifies into one user-friendly application a comprehensive line of fully integrated devices. From smart plugs, power strips, bulbs and cameras to security kits, you can now take control and run your home devices, on your own schedule even when you are not home.

Our **Smart Wi-Fi surge protector** is the easiest way to make your current electronics smart. Simply plug it into any AC outlet and connect it to your existing Wi-Fi-network, no hub required. Remotely turn your lights and appliances on and off from anywhere via the Nexxt Home app. Its voice activation feature makes it compatible with the Google Assistant and Amazon Alexa for hands-free management of all linked devices independently. Intelligent USB ports can detect your device and deliver the ideal charging for optimum safety. You can have peace of mind by checking the real-time status of any appliance at any time, save energy by running your house on your schedule, while providing a higher sense of security by making it appear that you are home even though you are half way around the world.

Highlights

- No hub required
- Surge protection
- 4 smart outlets and 4 USB built-in charging ports
- Easy pairing
- Nexxt Solutions Home App
- Voice activated (Amazon and the Google Assistant)
- iOS and Android™ compatible app
- Create schedules
- Multiple programmable timers

Smart Wi-Fi surge protector

with USB charging ports

Technical specifications

MPN	NHP-T720
Input	
Voltage	100-240VAC
Frequency	50/60Hz
Current	15A
Wireless frequency	IEEE 801.11N, 2.4GHz (not compatible with 5GHz Wi-Fi networks)
Surge suppression rating	900J
Voltage protection rating (VPR)	850V at 50A
AC plug style	Italian (CEI 23-50)
Output	
Voltage	120-240VAC
Frequency	50/60HZ
Maximum power	1875W
Outlet	Four Italian (CEI 23-50)
Charging port	Four USB, 5V/3,8A max
Physical appearance	
Dimensions	3.9x3.9x1.1in
Housing	Fire retardant plastic
Color	White
Weight	7.9oz
On/off switch	Yes
Environment	
Operating temperature	0 - 104°F
Storage temperature	14-140°F
Relative humidity	Operating humidity: 10%-90% non-condensing Storage humidity: 5%-90% non-condensing
Application	Indoor use
Additional Information	
System requirements	- Mobile device running iOS8 or higher, Android™ 4.1 or higher - Nexxt Home app - Existing Wi-Fi network
Warranty	Two years
